www.vishwanjan.com

Greetings

Dear Patron,

Greetings!!!

We are pleased to inform you that **"Antiaging Medicine And Research (AMAR)"** has announced **"INDOMEDICON®-2020: The 9th Antiaging Medicine And Research Conference"**. It will be held on **30th and 31st of May' 2020 at Mumbai**.

"Antiaging Medicine And Research (AMAR)" is a Society of Doctors having thousands of members across the country.

Through its network (**World AntiAging Network**), **AMAR** has thousands of members globally also.

Through its Conferences, Seminars and Workshops, **AMAR** has been actively involved in promotion and Training of Medical Advancements to its members and non-members.

Till date, **Antiaging Medicine And Research (AMAR)** has successfully conducted:-

- **8 Conferences**
- **More than 100 workshops/Seminars**

We, at **"Antiaging Medicine And Research (AMAR)"** strongly believe that :

- **Learning medicine is a continuous and dynamic process.**
- **"Out of the Box thinking is the foundation of Innovations in Medicine".**

In an attempt to bring the **"Out of the box ideas in medicine"** on a platform and to discuss and debate about them, **AMAR** has kept the theme of **"INDOMEDICON® 2020"** as: **"Out of the Box thinking in Medicine"**

To know more about **Antiaging Medicine And Research (AMAR)** plz visit www.antiagingindia.com

To know more about **INDOMEDICON®**, please visit www.indomedicon.com

Looking forward for your participation in forthcoming **"INDOMEDICON® 2020"** and welcome you in Mumbai.

Regards,

Dr. Deepak Anjana V. Chaturvedi

M.B.B.S.; M.D.(Medicine)

Co-founder & President : Antiaging Medicine And Research (AMAR)

Co-founder: World AntiAging Network (WAAN)

President: **INDOMEDICON®**

A] Out of the Box thinking in Longevity Medicine :

1. Introduction to "Antiaging Medicine".
2. Practical approach to "Antiaging Medicine".
3. Gene Therapy to reverse biological Age. How far are we from the reality? How much should we stay away from commercial claims?
4. Telomere length Assay? How practical, economic and realistic this assay is in predicting longevity?

B] Out of the Box thinking in Cardiology:

1. Non pharmacological management of Hyperlipidemia. What is the role of nutritional supplements and nutraceuticals?
2. ESMR – New Non Invasive technology to treat Coronary Artery Diseases.
3. Role of L-Carnitine and CoQ-10 in Cardiology.
4. Potential role of Regenerative Medicine using APSC / VSEL in Cardiology.
5. Importance of "Annual/Periodic Cardiovascular Health Check-up".

C] Out of the Box thinking in Oncology:

1. Cytotron – "Made in India" technology with a potential to revolutionize "Cancer treatment" worldwide
2. "Circulating Tumor Cells (CTC)" as the early screening test for Cancer.
3. Immunotherapy in Cancer Management.

D] Out of the Box thinking in Surgery:

1. Out of the Box Management of Bladder Dysfunction of Aging.
2. "Ageless Bones, Timeless Joints – Myth or Reality"

E] Out of the Box thinking in Endocrinology:

1. Managing Hashimoto's Thyroiditis with nutritional supplements and dietary modification: A fad or a truth!
2. Managing Polycystic Ovary Disease (PCOD) with nutritional supplements and Dietary modification.
3. Preventive roles of Menopausal Hormone Replacement Therapy (HRT)

F] Out of the Box thinking in Neurology:

1. How does "Stem Cell Therapy" work in patients of Neuromuscular Disorders [Motor Neuron Disease (MND) and Muscular Dystrophy]?
2. Mechanism of action of Stem Cell Therapy in managing Neurovascular disorders (Dementia & Stroke)
3. Hormone Replacement in Neurology.

G] Out of the Box thinking in Immunology:

1. Vitamin D mega therapy to manage Auto immune disorders.
2. Possible mechanism of action of "BCG Vaccine" treatment in regenerating β -Cells of Pancreas in Diabetes Mellitus Type 1.
3. Ozone therapy in Autoimmunity.

H] Out of the Box thinking in Obesity Management:

1. HCG Diet / Keto Diet / Atkin's Diet
